Sir:

In response to the Office Action mailed January 27, 1997, please amend the
above-identified application as follows:

IN THE CLAIMS:

1. (Fourth Time Amended) An [handheld] apparatus for recording and
reporting golf information [in a manner tending] to increase a player's ability to improve
from experience, the apparatus comprising:

a self-contained computer unit having a memory, a power source and a
[general output] display for selectively displaying a plurality of information screens and
associated data stored in the memory, the information screens including screen-dependent
data input fields for the associated data;

key entry means for retrieving and selectively displaying the information
screens from the memory on the display, and for retrieving, selecting, and recording the
